“

"We had a flood in our pool house with freezing temperatures outside—nine degrees to be exact. Jerry was there quickly and had his staff there shortly after that to start the drying process. My floors were saved. I am extremely pleased with Expert Restoration's quick response and excellent service."

”

HOLLY

“

"Perfect customer assistance! When I tried to reach them, they responded immediately and analyzed the problem. They directed me to the right people to fix my problem. They continued to follow up and it's a job well done! They were so kind, organized, time-savvy, and efficient. I would highly recommend them!"

”

CAMERON

“

"Jerry did a great job organizing the clean up of our basement after it flooded. He was easy to work with and genuinely showed concerned for our home. He even checked up on us after the clean up was complete to ensure we were being taken care of by the contractors he had [Read More](#)"

”

BRIANNA

“

"Ryan arrived promptly after we called and did a great job of educating us on what was happening and how to fix it. He took the time to answer our questions and explained the restoration steps in detail. Highly recommend!"
